JOSPER GRILL

Quality and taste from the region - experience it with us.

At ALMGRILL we rely exclusively on selected, regional beef from the Erdinger region, sourced directly from local farmers. These first-class cuts of meat are butchered and processed by the 'Winner' butchery in Pastetten. We receive the meat in whole pieces and consistently follow the "nose to tail" principle to get the best out of this high-quality butcher's meat.

And so our daily recommendations offer you more exquisite cuts of beef to enjoy. Our service team will be happy to present the daily changing recommendations and advise you.
